**DECLARATION OF PATRICIA M. HAMILL IN SUPPORT OF RECEIVER’S
MOTION FOR PERMISSION TO SELL CERTAIN RECEIVERSHIP PERSONALTY**

Patricia M. Hamill, under penalty of perjury and pursuant to 28 U.S.C. § 1746, declares the following to be true and correct:

1. I am the Receiver appointed for this case. This Declaration is in support of Receiver’s Motion for Permission to Sell Certain Receivership Personalty.
2. The Receiver has taken inventory of a variety of physical assets belonging to the Receivership from the office space formerly occupied by Corporate Defendants American Mutual Holdings, Inc., Check Systems, LLC and eCapital Services, LLC.
3. Because the office is no longer functioning, the Receiver seeks to liquidate the Receivership assets identified (hereinafter “Receivership Office Items”).
4. Pursuant to 28 U.S.C. §§ 2001 and 2004, personalty under Court control, such as the Receivership Office Items, may be sold through a public auction or under such terms and conditions as a Court directs.
5. In accordance with §§ 2001 and 2004, the Receiver seeks Court approval to sell the Receivership Office Items as described herein.

6. The Receiver moves for an Order declaring that the Receivership Office Items shall be sold free and clear of all liens and that any liens on such personalty shall attach to sale proceeds. The Court has the inherent power in the context of an equity receivership to order the sale of assets free and clear of liens. *Van Huffel v. Harkelrode*, 284 U.S. 225, 227-28 (1931) (citing *Mellen v. Moline Malleable Iron Works*, 131 U.S. 352, 367 (1889)); *see also Miners' Bank of Wilkes-Barre v. Acker*, 66 F.2d 850, 853 (3d Cir. 1933) (holding that a court may order the sale of real property free and clear of liens).

7. The Receiver is not aware of any active liens on the Receivership Office Items.

8. The assets in question include office furniture, computers, monitors, wiring, printers, phones, key boards, televisions, servers, paper shredders, paintings, plant stands, holiday décor items and other miscellaneous pieces of office equipment and accessories.

9. A complete list of the items the Receiver seeks approval to sell at this time is attached hereto as **Exhibit A**.

10. Certain items, such as desks and chairs from the eCapital Services, LLC office space, have been excluded from Exhibit A because the landlord has proposed to accept those items in exchange for releasing American Mutual Holdings, Inc. from the balance of the lease related to eCapital Services LLC's offices. Those assets are identified in **Exhibit B**.

11. The Receiver and Buffalo Staffing, Inc. have reached a tentative agreement under which Buffalo Staffing, Inc. has assumed all rights and obligations of Corporate Defendant American Mutual Holdings, Inc. under a lease for the office space formerly occupied by Corporate Defendant Check Systems, LLC. The remaining term to be negotiated is the value of assets requested by Buffalo Staffing consisting of a portion of the items listed in Exhibit A, which value may form part of the consideration for the assignment of the lease.

12. The Receiver has received an offer from former Receivership entity Buffalo Staffing, Inc., through its owner Defendant Joseph Bella, to purchase some of the items listed in Exhibit A. The parties are currently finalizing the details of the offer with respect to the items to be sold and the pricing thereof.

13. Buffalo Staffing, Inc. has indicated that it would like to enter the premises and furnish the office space utilizing a portion of the equipment and other items already in place.

14. To ensure that the Receiver nets the highest possible return, the Receiver proposes that the items in Exhibit A be offered for sale publicly, giving third parties an opportunity to bid, including the possibility of bids higher than the amounts offered by Buffalo Staffing, Inc. for the items it is requesting.

15. The Receiver asks for expedited consideration of this motion because 1) the assets are contained in the office space the Receiver wishes to assign as soon as possible to avoid further rent expense and 2) the Receiver wishes to achieve a higher selling price if possible while at the same time avoiding the costs of moving assets not purchased by Buffalo Staffing, Inc. to another location before sale.

16. Further, the Receiver proposes to post public notice of the assets for sale on-line and to set seven a day deadline from posting for offers.

17. The Receiver has been in contact with potential buyers other than Buffalo Staffing, Inc., and is in the process of soliciting bids from them.

18. Accordingly, the Receiver respectfully requests that the Court approve the sale of the Receivership Office Items and enter an Order in the form proposed in the attached Proposed Order.
